Hongkong Rates of Postage.
(Revised December 1st, 1880.)

In the following Statements and Tables the Rates are given in cents, and are, for Letters, per half ounce, for Books and Patterns, per two ounces.

Newspapers over four ounces in weight are charged as double, treble, &c., as the case may be, but such papers or packets of papers may be sent at Book Rate. Two Newspapers must not be folded together as one; nor must anything whatever be inserted except bona fide Supplements. Printed matter may, however, be enclosed, if the whole be paid at Book Rate. Prices Current

Commercial Papers signify such papers as, though Written by Hand, do not bear the character of an actual or personal correspondence, such as Invoices, deeds, copies of music &c. The charge on them is the same as for books, but whatever the weight of a packet containing any partially written paper, it will not be charged less than 5 cents.

The sender of any Registered Article must accompany it with a Return Office on paying an extra fee of 5 cents.

The limit of weights for Books and Commercial Papers to Foreign Post Offices is 4 lbs. Patterns for Foreign Post Offices to be sent by Registered Mail are limited to 10 lbs. and must not exceed the dimensions: 8 inches by 4 inches by 4 inches.
